The candidate must possess an in-depth knowledge of the operational functions of securities lending. PCI is close to launching its Fully Paid Lending (FPL) Program and the candidate will be required to work with internal stakeholders, vendors and clients to build out functions to support this business. The candidate should possess the drive and initiative to be a leader and self-starter with the ability to both participate and manage the daily operations within a developing self-clearing broker dealer.

Responsibilities

- Manage and perform daily operational activities related to securities lending within a self-clearing broker dealer.
- Facilitate mark-to-market adjustments, break reconciliation, SBL bookings, cancel & correct borrows and loans, rate changes, contract comparisons, recalls, billing, EOD balancing, process buy-ins and corporate actions, produce quarterly audit confirmations.
- Process and monitor collateral movements with our external collateral agent.
- Work closely with Accounting, Equities, and Corporate Actions departments.
- Follow, create, and update operational procedures as needed.
- Become an integral part of a growing global financial services firm at the inception of its lending program

Qualifications

- Minimum 5 years' experience in a Self-Clearing Broker Dealer in a securities lending operational capacity.
- Strong understanding of equity and options self-clearing operations.
- Experience in dealing with other broker dealer counterparts.
- Strong analytical skills and ability to recognize and mitigate issues with process and tools.
- A strong level of proficiency in Microsoft Office products, especially Excel.
- Ability to efficiently handle a multitude of tasks while maintaining a low error rate.
- Attention to detail, and time management & solid communication/organization skills.
- Absolute integrity and ability to recognize and learn from mistakes.
- Previous experience with FIS Global (Phase 3), Loanet, Smart Loan, is highly sought after.

This opportunity provides a leadership opportunity within a growing global business located in the heart of Chicago's financial district. While residence in the Chicago area is preferred, it is also not a requirement.
